Abstract

This is my abstract

This is the beginning.

0.1 Introduction

0.2 Research Design

0.3 Data collection

0.4 Analysis

, Make a cake . . . which renders like. The `ommand` has this structure:
. The `todo` text is the text that will be shown in the todonote and in the list of todos. The optional argument `options`, allows the user to customize the appearance of the inserted todonotes. For a description of all the options see section 1.3.

`ommand` inserts an image containing an attention sign and the given text. The command takes only one argument

, a text string that could describe what the figure should consist of. An example of its usage could be
